

WASHINGTON, DC – The House Committee on Oversight and Government Reform today released "[Meet Your Oversight Watchdogs: Rep. Paul Gosar](#)," the fourth in a series of videos to introduce committee members to the American people. Rep. Gosar serves the people of Arizona's First Congressional District as Vice Chairman of the Oversight Subcommittee on Health Care, District of Columbia, Census & the National Archives and as a member of the Oversight Subcommittees on Government Organization, Efficiency & Financial Management and National Security, Homeland Defense & Foreign Operations.

"Arizonans deserve to know what they get from their government and Oversight is central to delivering that spending accountability," said Rep. Gosar. "Whether we're listening to job creators or exposing wasteful federal programs, the committee's work is essential to getting government out of the way of American families and businesses doing all they can to succeed and grow."
